Telephone Technical Support from MSD & Racepak during the upcoming 2012 ANDRA Winternationals

MSD Performance & Racepak (USA) will provide telephone technical support for Australian customers during the first two days of the ANDRA 2012 Winternationals. **MSD and Racepak Technicians will be available by telephone on Friday, June 8th and Saturday June 9th between 8 a.m. and 5 p.m. AEST.**

For MSD Tech Support dial, 0011-1-915-487-7551.

For Racepak Tech Support dial, 0011-1-949-709-1222.

For the best possible support, racers should have the latest version of their ignition and data acquisition component's programming software and be able to provide access to Technicians via internet remote access software such as TeamViewer.

To download the latest version of MSD's Pro-Data software, visit: www.msperformance.com and click on the "Software" link in the navigation column.

For Racepak's latest version of DataLinkII software, visit: www.racepak.com and click on the "Downloads" menu on top of the page.

A FREE version of TeamViewer's remote access software is available for download at: www.teamviewer.com.
