Supercharged Outlaws NSW Inc. "the Club" was established in 2004 and is currently active in drag racing consisting of 30 Supercharged Outlaw Drivers, some of which have been involved in drag racing in many classes for as many as 30 years.

HANDICAP PRO START IN SUPERCHARGED OUTLAWS

"Amendment to existing rule"

Supercharged Outlaws Group 3 Dial-Your-Own Handicap Full Tree start to be amended to:

"Supercharged Outlaws Group 3 Dial-Your-Own Handicap Pro Start"

The amendment to this rule would be a positive step for the sport as there would be fewer red lights. It would be better for the spectator as the winner is determined on the track and not at the tree. This would not impact on other classes and brackets and would increase the opportunity for even competition.

The Amendment would not effect the rule protecting the safety of participants and spectators.

We believe all major Track Timing Systems have the capability to implement this change.

The amendment would not incur costs to the racers, tracks or ANDRA and we feel this will be a positive step for the sport.

We hope that you seriously consider our proposal.

Yours faithfully,
