

2.12 SUMMIT RACING EQUIPMENT SPORTSMAN SERIES

Summit Racing Equipment Sportsman Series is a national, points based competition open to all permanent ANDRA Licence holders for participants in Groups 2, 3 and 4. Summit Racing Equipment Sportsman Series signage is compulsory on all vehicles wishing to participate in any round of the series. Failure to display such signage may result in exclusion from participation at the event.

- ◇ **NOTE: The rules covered here for the Summit Racing Equipment Sportsman Series rounds will be applicable to the 2021/2022 racing seasons only. These rules may be revised for the 2022/2023 onwards seasons.**

Points Cap: In Groups 2, 3, and 4, competitors may score points at any round. Prior to the final event of an Eliminator, the total points for each entrant will be capped at a maximum of 300 points. This will determine the qualifying order within each Division. Points accrued at the final event will be added to these, to determine the overall results.

Event Winner Bonus Points: Every racer that wins a Summit Racing Equipment Sportsman Series round will be awarded 10 bonus points for the win and 5 points for a runner up. These bonus points are to be added to the final total once an attempt to qualify at the final round of the series has been made. These points will be added in addition to the 300 points cap.

Points Accruing: In Groups 2 and 3, entrants may only accrue points as a Driver/ Rider/ Bracket combination. Changes of class within the same Eliminator are permitted with no points penalty.

Points Allocation: In Groups 2, 3, and 4, all points scoring will be based on a minimum of three rounds of racing at each event.

Therefore, if the Class/Eliminator has four (4) competitors, it must be run as a Three Round Format. If there are five (5) or more competitors, it must be run as a standard Elimination format as per the ANDRA seeding sheets.

For Three Round format - When there are four (4) competitors, the event winner receives 80 points, runner up receives 60 points, and the other two competitors receive 40 points each if they present for any round of racing under the Three Round Format.

For Elimination format - If there are eight (8) qualifiers, 40 points will be awarded to all competitors who present* for the first round of racing. However, if there are nine (9) to sixteen (16) or seven (7) to **four (4)** qualifiers, 20 points will be awarded to all competitors who present* for the first round of racing. *In all scenarios above, "present" means the vehicle's engine must start and the vehicle must Stage under its own engine power when directed by The Starter. If the vehicle's engine cannot be started and/or the vehicle cannot Stage under its own engine power for Round 1 (where there are three (3) rounds of racing), zero points will be allocated to that competitor.

- ◇ **NOTE: Competitors will be awarded points as per the normal existing points structure for all subsequent rounds of racing following the first round of racing.**
