Then, all proposals being collated by the Technical Officer for discussions with the National Rules Committee (NRC) and the Operations Committee (Ops).

All proposals must be submitted in writing using the prescribed form in this procedure to the ANDRA Technical Officer for review. These proposals will be accepted from any current ANDRA Associate Member, current ANDRA Member or current ANDRA Licence holder. Division Councils may also submit rule proposals, which may be considered as internal submissions and can fall outside of the requirements of this procedure.
